A webcast link and presentation will also be available on the Company’s website at [www.etrion.com](http://www.etrion.com).

#### About Etrion

Etrion Corporation is an independent power producer that owns and operates renewable assets. The Company currently has approximately 60 megawatts of operational, ground-based solar photovoltaic power plants in Italy. Etrion is pursuing opportunities in Chile to complement its existing business by developing solar projects with long-term PPAs or at merchant. The Company is listed on the Toronto Stock Exchange in Canada and the NASDAQ OMX Stockholm exchange in Sweden. Etrion’s largest shareholder is the Lundin family, which currently owns 24.5% of the Company’s shares directly and through various trusts.

For additional information, please visit the Company’s website at [www.etrion.com](http://www.etrion.com) or contact:

Marco A. Northland – Chief Executive Officer

Telephone: +41 (22) 715 20 90

*Note: The capacity of power plants in this release is described in approximate megawatts on a direct current (“DC”) basis, also referred to as megawatt-peak (“MWp”).*

*Etrion discloses the information provided herein pursuant to the Swedish Securities Market Act and/or the Swedish Financial Instruments Trading Act. The information was submitted for publication in Sweden at 8:00 CET on October 11, 2013.*
