Going forward, Etrion will hold an earnings call, immediately following the release of its interim and annual financial results.

About Etrion

Etrion Corporation is an independent power producer that owns and operates renewable assets. Etrion currently owns approximately 60 megawatt (“MW”) of operational, ground-based solar photovoltaic power plants in Italy. The Company is listed on the Toronto Stock Exchange in Canada and the NASDAQ OMX Stockholm exchange in Sweden (ticker symbol “ETX”). Etrion’s largest shareholder is the Lundin family, which owns approximately 22% of the Company’s shares through various trusts.

For additional information, please visit the Company's website at www.etrion.com or contact:

Cheryl Eversden – Chief Financial Officer

Telephone: +41 22 715 20 90

Note: The capacity of power plants in this release is described in approximate MW on a direct current ("DC") basis, also referred to as megawatt-peak ("MWp").
