

PRESS RELEASE

Etrion to Present at ABG/DnB Renewable Energy Conference

September 12, 2011, Geneva, Switzerland – Etrion Corporation (“Etrion” or the “Company”) (TSX: ETX) (OMX: ETX), an independent solar power producer, announced today that the Company’s CEO, Marco Northland, will be presenting at the ABG Sundal Collier and DnB NOR Markets Renewable Energy Conference in Oslo on Tuesday, September 13, 2011, at 1:45pm Central European Time. A copy of the presentation will be available on the Company’s website at www.etrion.com.

About Etrion

Etrion Corporation acquires, develops, builds, owns and operates solar power plants. Etrion currently owns 60 MW of operational, ground-based solar photovoltaic (“PV”) power plants in Italy. The Company is listed on the Toronto Stock Exchange and the NASDAQ OMX Stockholm exchange (ticker symbol “ETX”). Etrion’s largest shareholder is the Lundin family, which owns approximately 25% of the Company’s shares through various trusts.
